Re: Appreciation Letter for the Educational Support & Sponsorship

Dear members of ST. John's Baptist church,

Honestly, on behalf of Nyarweng village of Jau County - Ruweng State, we would like to register our sincere gratitude to entire leadership of ST John's Baptist Church for supporting our children with education. Education is the only key to bring a transformation to the residents of Nyarweng village; promote peace in the region of Upper Nile and in South Sudan at large. Our children could not go to school without your generous support to our village and community. Thank you very much for supporting our educational project in Nyarweng village. Because of your support, Nyarweng community primary school was able to graduate twenty-one (21) children including three (3) girls last year. This year, we have registered more than 450 children in Nyarweng community primary school and twenty – eight (28) children will be sitting for their national examinations on December 12, 2018.

This is a miracle, Nyarweng village has never graduated such a member of children since God created heaven and earth. (Lech ku Nhialic) – Thank God, believers of ST. John's Baptist church and have made it for our lovingly daughters and sons and our village.

In this regard we are extending our gratitude and thanks go to you, brothers and sisters in Christ. We also thank all the donors, members, pastors and staff of ST John's Baptist Church who have identified the needs of education in South Sudan in particular in **Nyarweng village** and educate the children.

Thank you all again for your thoughtfulness, generosity to Nyarweng village, May God bless every one of you, your lovely family and church.
Wek chuk lech (We thank you).

Sincerely,
James Lubo Mijak

and

Juac Luba Thei

Presentative of Nyarweng village
