I am so happy to call St. John's Baptist my church home! I moved to Charlotte in 2008 to be closer to my sister Janet and my brother Tom and their families. I visited several other churches, but it didn't take long to realize that St. John's was the place for me. I joined the church in 2009, and quickly became part of the Seekers Class and the Chancel Choir. For the last two years, I have been on the Finance Resource Team.

I grew up in Atlanta, graduated from Vanderbilt, and returned to Atlanta where I got a Masters in Tax from Georgia State University. I was a member of First Baptist Church Decatur for 33 years. I am a CPA and have worked in public accounting, had a 23-year career with BellSouth, served as Comptroller of a HUD-subsidized residence facility, and returned to public accounting as a tax specialist when I moved to Charlotte.

My husband George and I were married for 34 years. I have a stepson and stepdaughter from George's first marriage. I now have eight step-grandchildren, ranging in age from 12 to 38! George died in December, 2007, after living with the challenges of Parkinson's disease for 19 years.

My flock includes: Jim and Page Austin, Al and Treva Bridges, Marvin Carter, Anita and Don Furr, Camille Green, Bill and Cathy Hartsell, Barbara Holland, Jean Hutson, Anne McNeill, Joe and Betty Millsaps, Richard and Helen Neff, Ed and Hilda Outen, Carole Ann Simpson, Jerry Stephens, Jean Thompson, Sue Veach, Jeck Warren and Jane Winn.
