Charlotte Family Housing

This past Sunday several staff members of Charlotte Family Housing joined us in worship, as we welcomed all our residential partners for the morning service. The offices of CFH are located in our building, along with six of their apartments that house parents and children being served in the program. The St. John's family provides additional support for the program by assuming responsibility for providing meals periodically throughout the year. **The need for help with meals for those housed in our facility for the week of November 4-8 are now covered.**

We will have two additional weeks this year for which we are committed to provide meals, one in March and another in May. If you would like to be notified of the opportunity to participate in providing these future meals please contact Clara Howell at 704-578-8153 or clarahowell92@gmail.com

Note to St. John's Stocking Stuffers

This year, the Missions Resource team has been notified that the Salvation Army will not be doing their traditional Christmas stockings, which we have enjoyed supplying for many years. Therefore, we will not be participating in this project. Many thanks to those who provided years of faithful participation in this project. This year, our Christmas giving opportunity will be in partnership with Charlotte Family Housing and their Jubilee Store.

Men's Shelter Meals

On the third Friday of each month St. John's provides a hot meal for 100 to 200 homeless men. Our standard menu consists of fried chicken, potato salad, green beans, and rolls, funded through our missions budget. Individuals from the church family make puddings for about 20 men or help serve the meal. **The next one is November 16.**

If you would like your name to be added to the list to be contacted about making puddings or serving 3-4 times a year, please contact Joy Jarrett, 704-537-2383 or worthjarrett@att.net.

Jubilee Store: Charlotte Family Housing

Each year, in preparation for the Christmas season, Charlotte Family Housing sponsors the *Jubilee Store*, where those served in the program have opportunity to shop for gifts for their family at discounts prices.

This year the *Jubilee Store* will be held on **December 8 and 9** in our facility. We will have opportunity to assist, both with the set up and with providing specific gifts to stock the store. More details will follow soon.
