Dear Friend in Ministry,

St. John's Baptist Church in Charlotte, North Carolina, invites you to prayerfully consider our search for a new Senior Pastor upon the retirement of our seventh senior minister. Founded in 1921, we are a warm, inclusive congregation committed to vibrant worship, spiritual growth, and community engagement. As we look toward the next season of ministry, we seek a pastor who will walk alongside us with vision, humility, and courage—helping us dream new dreams while cherishing our rich traditions.

Please review our [Church Profile](#) and [Pastor Profile](#), which describe our community, our ministries, and the qualities we seek in our next Senior Pastor. If this opportunity aligns with your sense of call, we warmly encourage you to apply. Likewise, if you know someone who may be an excellent fit for this role, we would be grateful if you would share this information with them.

We encourage and invite you to send resumes to: Senior Pastor Search Team, St. John's Baptist Church, 300 Hawthorne Lane, Charlotte, NC 28204 or email to pastorsearch@sjcharlotte.org.

We trust that God is already at work preparing both the church and the leader who will join us in this next chapter of faithful service. Thank you for your prayers, discernment, and partnership in this process.

Sincerely,

Leslie Bragg
